Dear Parents/Carers

Welcome back

I hope your daughters have settled in after their summer break and enjoying being back at school this term. We have had a great start to the new school year celebrating our excellent 6th form results and seeing students off to University including, Exeter, Durham and Reading. Special congratulations to our top achievers in Year 11, including Kisa Abbas who achieved 1 A** and 11 A*'s, who will be congratulated by Merton at the top achievers event this week.
